MINUTE ORDER NO. 94-101

PAGE 1. OF 1.

The Ad Hoc Appeals Committee Report presented on October 28, 1994, recommends that each party participating in an oral argument in an adjudicatory proceeding provide certain information to all Commissioners. The report recommends that each party provide a copy of its post hearing brief, and proposed findings of fact and conclusions of law to each Commissioner prior to the oral argument in the case.

The Commission has not yet adopted this recommendation as a part of Regulation No. 8. However, the Commission believes the recommendation should be implemented. Therefore, the Commission directs the Administrative Hearing Officer to, in writing, request each party participating in an oral argument to provide each Commissioner with a copy of that party's post hearing briefs, and proposed findings of fact and conclusions of law, if such filings were made in the docket. No party to an oral argument shall be obligated to provide the above materials.
