

ARKANSAS POLLUTION CONTROL  
AND ECOLOGY COMMISSION

LOCATION - SUBJECT Koppers  
Industries, Inc.; Request for  
Third Party Rulemaking on  
Reg. No. 23, Docket No. 94-058

MINUTE ORDER NO. 94 - 55

PAGE 1 OF 1

Randy Young, on behalf of the Rules and Regulations Subcommittee, made a motion to grant the petition of Koppers Company, Inc. ("Koppers") and initiate rulemaking proceedings to consider amendments to Regulation No. 23. In satisfying the public participation requirements imposed on the Commission, public notice of the proposed amendment to Regulation No. 23 shall be given in newspapers of general circulation in the State of Arkansas and Pulaski County. In addition, a public hearing on the proposed amendment shall be held in Pulaski County, Arkansas. The Commission recognizes that certain amendments to the Petition may be made by Koppers prior to issuing public notice of the proposal, and that Koppers and the Staff have agreed to meet prior to the July meeting of the Rules and Regulations Subcommittee in an attempt to coordinate Koppers' petition with the Staff's annual update of Regulation 23 scheduled for July or August of 1994. The Rules and Regulations Subcommittee may issue such scheduling orders for this proceeding as may be appropriate. The Motion was seconded by Joseph A. Pascale.

The Commission accepts the recommendations of the Regulations Committee and institutes a rulemaking proceeding in Docket No. 94-058.
