

ARKANSAS POLLUTION CONTROL  
AND ECOLOGY COMMISSION

LOCATION - SUBJECT Authorization  
to Secure Legal Counsel and to  
coordinate legal services in  
Appeals of Arkansas Medical  
Services Corp.

MINUTE ORDER NO. 94-74

PAGE 1. OF 1.

On August 12, 1994, the Attorney General of Arkansas filed a Notice of Appeal in Pulaski County Circuit Court which is Case No. 94-07974. On August 15, 1994, the Arkansas Department of Pollution Control and Ecology filed a similar Notice of Appeal which is Case No. 94-07988. Each Notice of Appeal seeks review of Order Numbers 8 and 10 entered by the Commission in Docket No. 93-232, Arkansas Medical Services Corp.

The filing of these two appeals leaves the Commission without legal representation in these cases. The Commission finds that legal counsel must be obtained to represent the Commission. Therefore, the Commission authorizes Chairman Randy Wilbourn to secure legal counsel, to supervise the legal counsel selected, and to coordinate with legal counsel all necessary planning and management of these cases during the appellate process.
