Regulation Number 22

MINUTE ORDER NO. 95-015

Page 1 of 1

WHEREAS, the Arkansas General Assembly promulgated the Solid Waste Management Act, Arkansas Code (Act 237 of 1971) and associated Solid Waste Management Code of March, 1984, that provide rules and regulations for the permitting of solid waste management facilities.

WHEREAS, these revised regulations incorporate into one comprehensive document federal regulations promulgated under Subtitle D of the Resource Conservation and Recovery Act (RCRA), 40 CFR Part 258, and 40 CFR Part 257, that were previously adopted by the Pollution Control and Ecology Commission; portions of the 1984 Solid Waste Code, as amended, that were not in conflict with federal regulations; recent legislation that was not already adopted as regulation; past permitting practices of the Solid Waste Division that were not otherwise adopted as regulation; and additional design and operational requirements for solid waste management facilities.

THEREFORE, the Commission hereby adopts the comprehensive rewriting of Regulation No. 22, the Arkansas Solid Waste Management Regulation, as proposed by the Arkansas Department of Pollution Control and Ecology.
