AND ECOLOGY COMMISSION

LOCATION - SUBJECT Salem Sewer
Improvement District #10 of Saline
County, DOCKET NO. 93-111

MINUTE ORDER NO. 95- 32

PAGE 1. OF 1.

On February 28, 1995, the Administrative Hearing Officer, Michael O'Malley, entered a Recommended Decision which is Order No. 4 in Salem Sewer Improvement District #10 of Saline County case ("Salem SID #10"), Docket No. 93-111.

The Recommended Decision affirms the Notice of Violation filed by the Arkansas Department of Pollution Control and Ecology with respect to the violations committed by Salem Sewer Improvement District #10 and the corrective action proposed by the Department.

The proposed penalty of \$25,000 is modified and Salem is ordered to pay the department an administrative civil penalty of \$15,000. All other corrective action provisions of the original Notice of Violation are hereby affirmed.

Salem SID #10 indicated to the Department that they would be willing to pay the \$15,000 voluntary civil penalty, if the Department would accept payments of \$250 per month for 60 months, commencing 30 days after the effective date of Salem's new sewage rate increase. The Department hereby accepts this payment plan.

Therefore, the Commission hereby adopts and affirms, without modification, Order No. 4 entered on February 28, 1995, in Docket No. 93-111.
