---

Hudson Foods, Inc. filed a petition for third party rulemaking for amendment to Regulation No. 2, "Regulation Establishing Water Quality Standards for Surface Waters of Arkansas."

Commission Minute Order 95-005 approved initiation of rulemaking. A public hearing and a 45-day public comment period were held.

The Department staff has determined that the petitioner has provided all information required in accordance with the Administrative Guidance Document for modification of minerals standards and that the information submitted indicates no significant impairment of the aquatic life communities in the receiving waters.

A Statement of Basis and Purpose was prepared for Commission review.

IT IS THEREFORE, ORDERED:

1. That Regulation No. 2 be amended to change the water quality standards as follows: (1) Caney Creek to Bois d'Ark Creek, sulfates 570 mg/1, chlorides 230 mg/1, total dissolved solids 1600 mg/1; (2) Bois d'Ark Creek from Caney Creek to Red River, sulfates 420 mg/1, chlorides 230 mg/1, total dissolved solids 1200 mg/1; and (3) the domestic and industrial water supply use for these waterbodies be removed.
2. That the Statement of Basis and Purpose submitted by the Department and the Statement of Basis and Purpose submitted by Hudson Foods, Inc. are adopted by the Commission as part of this rulemaking proceeding.
3. That the Department staff is directed to make these changes to Regulation No. 2 contingent upon review by the appropriate Legislative Committees.
