

ARKANSAS POLLUTION CONTROL  
AND ECOLOGY COMMISSION

LOCATION - SUBJECT Petition to  
Impose a Moratorium in Washita  
Township, Montgomery County, AR

MINUTE ORDER NO. 95-063

PAGE 1 OF 1

Concerned Citizens for Clean Air and Water (C.C.C.A.W.) filed a petition requesting that a moratorium be imposed on the issuance of proposed liquid animal waste management system permits in Washita Township, Montgomery County, AR.

Young advised the Commission that the Regulations Committee found no scientific data on which to make an informed decision that justified initiating the rulemaking process.

Young made a motion to adopt the Committee's recommendation that the Commission deny the request to initiate third-party rulemaking as is being sought in the Petition To Impose a Moratorium in Washita Township, Montgomery County, AR. Pascale seconded the motion.

The Commission adopts the motion and declines to grant the relief requested in the petition.
