MINUTE ORDER NO. 95- 76

PAGE 1 OF 1

On July 25, 1995 Administrative Hearing Officer, Robert Sanders, entered an Order in Western Waste Industries, Docket No. 93-037.

The Order withdraws the "Bad Actor" determination and dismissed the appeal. It further specifies that resumption of the Phase IV application at the Hoot Landfill Complex will require a written request for resumption of the processing of the application and will be governed by regulations in effect at the time the request is filed. In the event Western Waste does not request a resumption of the Phase IV application by December 1, 1995 the permit application will be deemed abandoned.

The Commission hereby adopts and affirms, without modification, the Order entered on July 25, 1995 in Docket No. 93-037.
