MINUTE ORDER NO. 96-37

PAGE 1 OF 1

On March 7, 1996, the Arkansas Department of Pollution Control and Ecology submitted proposed amendments to PC&E Regulation No. 8, Administrative Procedures. Commission Minute Order No. 96-017 approved initiation of a rulemaking proceeding.

Pursuant to law, public notice was given and a public hearing was conducted on April 29, 1996. Written comments were received and considered by the Department. A Statement of Basis and Purpose and a Responsive Summary have been prepared. In preparing the Responsive Summary, Department Staff discovered an error had been made in translating Act 384. As a result, the Department decided to withdraw the rulemaking petition and submitted a Petition to Withdraw Rulemaking Request on June 17, 1996.

The Commission accepts the recommendation of the Regulations Committee and withdraws the Regulation No. 8 rulemaking procedure in Docket No. 96-003-R.
