

ARKANSAS POLLUTION CONTROL  
AND ECOLOGY COMMISSION

LOCATION - SUBJECT \_\_\_\_\_  
Petition for Extension of  
Variance by Zeneca, Incorporated

DOCKET NO. 98-002-R

MINUTE ORDER NO. 98<sup>-23</sup>

PAGE 2 OF 2

IT IS THEREFORE ORDERED, pursuant to the provisions of Ark, Code Ann §8-7-211,\* that Zeneca Inc. And its customers in Arkansas are granted a variance from the subject hazardous waste management requirements for up to and including February 28, 1999, or until the final effective date of revisions to the same requirements of Regulation No. 23, whichever comes first. This variance may be renewed or extended after opportunity for public comment in accordance with Ark. Code Ann. §8-7-211.

\*Ark. Code Ann §8-7-21 (Michie 1993) states:

8-7-211. Variances, waivers, or extensions. Where the application of, or compliance with, any rule or regulation issued under this subchapter, in the judgment of the commission, would cause undue or unreasonable hardship to any person and not cause substantially adverse environmental effects, the commission may grant a variance, waiver, or extension to the same extent that such variance, waiver, or extension would be allowable under the federal Resource Conservation and Recovery Act of 1979, as amended, and the regulations promulgated thereunder. In no case shall the duration of any such variance exceed one (1) year. Renewals or extensions may be given only after opportunity for public comment on each such renewal or extension.
