Mr. Mike Schuster
MS Auto Salvage
5247 Highway 103
Clarksville, AR 72830

RE: PDS: 054743 AFIN: 36-00000

Dear Mr. Schuster:

On September 28, 2010, I performed an inspection of your facility pursuant to the Mercury Switch Removal Act of 2005 A.C.A §8-9-601 et seq. A copy of the inspection report is enclosed for your review.

Refer to the report to note any allegations of deficiencies that require corrective action. Please send a written response to the corrective action taken. Failure to respond to this letter in writing shall be construed as an admission of any allegations contained therein. Any items noted that are neglected and persistent may warrant enforcement action.

If I can be any further assistance, feel free to contact me at (479) 452-4288.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Sparrow".

Justin Sparrow, Inspector
Solid Waste Management Division

Arkansas Department of Environmental Quality
Solid Waste Management Division
Mercury Switch Inspection

Mercury Switch Removal Act of 2005
A.C.A. §8-9-601 et seq.

§8-9-606(c)(1)	Vehicle recycler or scrap recycling facility that removes mercury switches shall maintain records documenting the number of:	YES	NO
		x	
	(A) Mercury switches collected		
	(B) End-of-life vehicles containing mercury switches		
	(C) End-of-life vehicles processed for recycling		
	(D) The makes and models of vehicles from which mercury switches were removed		
	(E) Switches collected from each make		
§8-9-606(c)(2)	These records shall be made available for review by the Department of Arkansas Environmental Quality upon the request of the department.	YES	NO
		x	
§8-9-606(e)	Upon removal, the mercury switches shall be collected, stored, transported, and otherwise handled in accordance with the:	YES	NO
		x	
(1)	Mercury Minimization Plan (February 12, 2007) pursuant to §8-9-605		
	Vehicles from which mercury switches have been removed, or which do not contain mercury switches, marked with a green line from the top of the hood to the top of the bumper		
	The vehicle recycler or scrap recycling facility indicated on the container label the date when the first mercury switch was placed in the container ("start date")		
	Container may not be stored or used at the location beyond one year from the "start date"		
	Mercury switches and assemblies that are too damaged or corroded to disassemble should be stored in a separate container		
(2)	Provisions of the rules and regulations concerning universal waste adopted by the department pursuant to the Arkansas Hazardous Waste Management Act of 1979, §8-7-201 et seq.		
	Containers must be labeled or marked clearly: "Universal Waste – Mercury-Containing Device(s)"		
§8-6-610	Penalties and enforcement		
(a)	Any person who violates any provisions of this subchapter or any rule or order issued pursuant to this subchapter shall be subject to the same penalty and enforcement provisions as are contained in §8-6-204		

Comments
