Mr. Mitch Annette 248 Little Hollow Trail Hot Springs, AR 71913

Dear Mr. Annette:

On March 03, 2009, I performed an investigation of your property located on Little Hollow Trail in Hot Spring County. This investigation was in response to a complaint alleging illegal dumping. My investigation revealed that you are in violation of the Arkansas Solid Waste Management Act, A.C.A. § 8-6-205. Specifically, I found the following violation(s):

> Operation of an unpermitted solid waste disposal facility, which is in violation of §8-6-205 (a) (1)(2)(3) and (5). The waste dumped at this site consists of furniture, lumber, and other assorted waste. "No person shall dispose of solid waste at any disposal site or facility other than a disposal site or facility for which a permit has been issued by the Department".

By law, anyone who violates any provision of the Solid Waste Management Act may be subject to criminal, administrative and civil penalties up to \$10,000.

You should immediately cease the activity described above and undertake measures to correct the violation. You should notify me in writing at the address below or call (501)682-0581 within **20 days** of the date of this letter with a plan of action for correcting the violation.

Please be advised that failure to make contact with me in regard to this notification may warrant formal enforcement. Your cooperation is appreciated.

Sincerely.

Kenneth Burks, Inspector Solid Waste Division

Kennett Burks

Investigation Comments											
03/19/09 – I spoke with Mr. Annette on this date by telephone. He stated that he had dug the hole to burn tree stumps off of his property and also had given another person permission to bring in construction wood waste to burn. He said that when he returned home from out of town, he noticed all of the waste mentioned in this report in the hole, so he contacted the person that had done the dumping. He had this person remove all waste from the hole and take it off the premises, and he filled the hole in with dirt. Mr. Annette wants me to come back to the property to inspect the area at a future date. I will call Mr. Annette at a later date and set up an appointment to meet him.

04/17/09 – At Mr. Annette's request, I met him on his property on this date. He explained that he had been out of town when an acquaintance of his had placed the C/D in the hole he had dug to place stumps in. He said that when he arrived home from his trip, he saw the material and had his acquaintance come back and remove the waste. He then filled the hole in with dirt.  I took Mr. Annette's statement, photographed the area, and departed.
