

Sample Public Notice for Reactivation of a Temporarily Closed Quarry NOI

In accordance with the provisions of Arkansas Code Annotated §15-57-403, public notice is hereby given that as of <DATE>, a Notification of Intent to Reactivate a Quarry has been filed with the Arkansas Department of Environmental Quality (ADEQ). The quarry will be located at <QUARRY ADDRESS> in <APPROXIMATE LOCATION (SEC,TWN,RGN)> in <COUNTY>, Arkansas. Start up of quarry operations will begin on <DATE>.

This quarry will be operated by <COMPANY NAME, ADDRESS, PHONE NUMBER>. Any questions concerning this operation may be sent to <NAME OF CONTACT PERSON> at the above listed address.

Any interested parties may contact Mr. James F. Stephens, Chief of the Surface Mining and Reclamation Division, ADEQ, 5301 Northshore Drive, North Little Rock, AR 72118-5317 , telephone number (501) 682-0807 for additional information. Property owners within one half mile of the proposed quarry may send a request to ADEQ for a public meeting with <COMPANY NAME> within ten days after the publication of this notice.
