Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I ~~support this third-party~~ rulemaking because

It is my responsibility as an Arkansan and
a U.S. citizen to protect America's First
and ONLY National River, and to preserve it
for generations to come.

Sincerely,

Christopher M. Clayborn
