Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rule ~~because~~ because

I grew up on the Buffalo River enjoying clean water.
Now I trail ride, ^{fish} swim & canoe on this beautiful river
& want my grandchildren to be able to do the same!

Sincerely,

Candlyn Mills
