Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because

These operations will have short-term & long-term
affects on quality of water, life & have bad impact
on tourism and the health of all

Sincerely,

Judy Gibson - Greene Co Ar
