
Mr. Doug Szenher
Arkansas Department of Environmental Quality
Public Outreach and Assistance Division
5301 Northshore Drive
North Little Rock, AR 72118

Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because

*we are concerned about the degradation of the
air and water quality in the Buffalo River
Watershed, which Arkansas has been entrusted
with.*

Sincerely,

Larkin and Pam Floyd 870 480-6655
