

DUG. SZEHER

6/17/20014

A.D.E.Q

Public outreach & assistance division.

5301 north shore drive.

Little rock ark.

I am opposed to changing rule 5 and 6, any change should be based on **good solid basic scientific evidence** over a extended period of time, and not on fear or emotion.

A bad rule [law] is never changed and effect the lives of all people.
