

Mr. Doug Szenher
Arkansas Department of Environmental Quality
Public Outreach and Assistance Division
5301 Northshore Drive
North Little Rock, AR 72118

Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third- party rulemaking because

leakage of toxic fecal matter is assured because
of the porous karst topography of the area.
Once destroyed, that fragile ecology can't
be repaired.

Sincerely,

Shelley Bonaiuto 13566 Pin Oak Rd
