Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third- party rulemaking because

WE NEED TO PROTECT THE BUFFALO RIVER  
AND NOT DESPOIL IT FOR PRIVATE PROFIT

Sincerely,

Mr. Doug Szenher

Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third- party rulemaking because

- ① I support sustainable farming - CAFOs are not sustainable
- ② Given the karst topography of the watershed, CAFOs should be banned there
- ③ It (CAFO) jeopardizes the Buffalo and the related tourism.

Sincerely,

Finchell Weidling
