Subject: Reg 6 notification

Mr.
Shenzer,

7/28/2014

Please require notification in a local newspaper of at least 14-30 days for any applicants of the Regulation 6 permits. Reg 5 requirements for notification should apply to Reg 6 also.

The National Park Service is a protecting agency to the Buffalo River and they should be contacted if any NPDES permits are permitted in the counties of their existence.

Sincerely,

Zella Holden
