

Solid Waste 10-Year Planning Committee Topics for Discussion

September 16, 2011

1. Changing Top Level Strategy/M Measurement from Recycling Rate to Waste Diversion Rate
2. Define Goals for Waste Diversion-Sustainability (Waste Reduction, Recycling, Beneficial Use, Waste Exchange, Producer Responsibility)
3. Waste Management Infrastructure Needs (Landfills, Recycling Centers, Transfer Stations, Compost Operations, Illegal Dump Management)
4. Organization and Leadership of Committee
