ARKANSAS DEPARTMENT OF ENVIRONMENTAL QUALITY Asbestos Certification Checklist

If receiving this form from ADEQ personnel, submit the checked items in order to resume the application process. However, if receiving this form directly from the website or another source, all items listed below the “Application Requirements” section are needed to begin the application process.

Note: The application requirements are excerpts from the Arkansas Pollution Control and Ecology Commission Regulation 21, Sections 15 & 16. You may find detailed explanations of any requirement by visiting our website at <https://www.adeq.state.ar.us/regs/#reg21>.

Associated application forms may be obtained at <http://www.adeq.state.ar.us/air/asbestos/asbestos.htm>

APPLICATION REQUIREMENTS

- Completed Application Form
- Disclosure Statement (first-time applicants, ONLY): Complete with original signatures and notary stamp for initial certification application.
Disclosure statements are not required for renewals of asbestos certificates.
- Original Certificate: Representative of most current training, either initial or refresher course. Originals will be returned.
If seeking reciprocity, a copy of the original certificate for a current state certification.
- OUT-OF-STATE TRAINING:** Any person who has not completed training by an Arkansas licensed training provider must submit an ORIGINAL certificate for a *two-hour Arkansas Regulations Awareness*, which has been conducted by a training provider licensed in accordance with Regulation 21.1907.
- Color Photo (first-time applicants, ONLY): The photo must show the applicant’s face and be no less than three-quarters of an inch (3/4”) wide. If a digital photo is submitted, the resolution must be at least 72 dpi and in .jpeg format. Individuals may also visit the main ADEQ office, where a photo can be taken at no charge.
For renewals, submission of a photograph is optional.
- Application Fee:
