

NOTICE OF EMERGENCY ORDER

Pursuant to Arkansas Code Annotated § 8-4-101 *et seq.*, § 8-7-501 *et seq.*, § 8-7-201 *et seq.* and § 8-6-201 *et seq.*, the Arkansas Department of Environmental Quality (ADEQ) has issued an emergency order in connection with a business being closed with numerous hazardous substances remaining on site. These conditions are located at Street & Performance, Inc., #1 Hot Rod Lane, Mena, Polk County, Arkansas 71953.

On October 25, 2016, ADEQ received a letter from Street & Performance, Inc., stating that Street & Performance, Inc. would be closing for business on October 28, 2016. Street & Performance, Inc. also indicated they would work closely with ADEQ to ensure closure was completed appropriately. ADEQ staff was on site February 1, 2017 to perform an inspection. ADEQ staff observed containers of hazardous and non-hazardous waste and electroplating solutions, including cyanide, chromium, and nitric acid. A roll-off container with waste foundry sand, as well as a pile of waste foundry sand, also were found at the site.

The emergency order directs Street & Performance, Inc. to notify ADEQ of their intent to comply with the order, to hire a qualified environmental contractor, to properly identify, profile, and containerize all hazardous and non-hazardous waste on site, and to ship all waste off-site to an authorized facility, using a permitted transporter. Street & Performance, Inc. shall provide a final report within twenty (20) days to ADEQ.

Nothing in the order shall limit the rights of ADEQ to issue further orders to pursue any further enforcement actions for remediation, penalties or costs from any party.

A copy of the full text of the order is available by contacting Kelly Robinson at the ADEQ, 5301 Northshore Drive, North Little Rock, AR 72118; Telephone, 501-682-0916; E-mail, robinson@adeq.state.ar.us.

Dated this 14th day of February, 2017,
Becky W. Keogh, Director,
Arkansas Department of Environmental Quality
