

NOTICE OF VARIANCE

El Dorado Chemical Company
Permit Number: 0573-AOP-R21

Notice is hereby given under Ark. Code Ann. § 8-4-230(e)(1) that the Director of the Division of Environmental Quality (DEQ), 5301 Northshore Drive, North Little Rock, AR 72118-5317, has granted the request by El Dorado Chemical Company for a variance from the emission limits and operational requirements of SN-51, Ammonia Plant CO₂ Regenerator contingent upon the current scrubber being operated for six weeks or until a documented safety concern requires that it be taken offline, whichever occurs first. Activities associated with this Variance will take place at the following site address:

El Dorado Chemical Company
AFIN: 70-00040
4500 North West Avenue
El Dorado, AR 71730

This Variance is limited to ninety days. This decision is subject to and contingent upon the right of the public to object to the Director's decision. Any member of the public may object to the Director's decision or request a public hearing within ten (10) business days of the date of this notice. Objections or requests for a public hearing will be accepted if submitted no later than 4:30 pm Central Standard Time on the last day of the comment period. Written objections or a request for a public hearing should be sent to: Division of Environmental Quality, ATTN: Office of Air Quality, 5301 Northshore Drive, North Little Rock, AR 72118-5317.

After consideration of any timely written objections, the Director may revoke or modify the conditions of this Interim Authority within thirty (30) calendar days of the date of this decision for compelling reasons or good cause shown. The Director's revocation or modification of the prior decision becomes a final decision and will be sent to the applicant and those persons who submitted timely objections. If the Director's initial decision is not revoked or modified within thirty (30) calendar days of the date of the decision, the decision is deemed final for purposes of appeal.

Dated this April 5, 2020

Becky W. Keogh, Director
Division of Environmental Quality
