

## NOTICE OF TEMPORARY VARIANCE

Baxter Healthcare Corporation

Permit No. 0544-AR-16

Notice is hereby given under Ark. Code Ann. § 8-4-230(e)(1) that the Director of the Division of Environmental Quality (DEQ), 5301 Northshore Drive, North Little Rock, AR 72118-5317, has granted Baxter Healthcare Corporation's request for a temporary variance to operate additional air pollution control equipment for reduction of ethylene oxide emissions for a period of ninety days conditioned upon additional monitoring. Activities associated with the temporary variance will take place at the following site address:

Baxter Healthcare Corporation

AFIN: 03-00002

1900 North Highway 201

Mountain Home, AR 72653

This temporary variance is limited to ninety days. This decision is subject to and contingent upon the right of the public to object to the Director's decision. Any member of the public may object to the Director's decision or request a public hearing within ten (10) business days of the date of this notice. Objections or requests for a public hearing will be accepted if submitted no later than 4:30 pm Central Standard Time on the last day of the comment period. Written objections or a request for a public hearing should be sent to: Division of Environmental Quality, ATTN: Office of Air Quality, 5301 Northshore Drive, North Little Rock, AR 72118-5317.

After consideration of any timely written objections, the Director may revoke or modify the conditions of this temporary variance within thirty (30) calendar days of the date of this decision for compelling reasons or good cause shown. The Director's revocation or modification of her prior decision becomes a final decision and will be sent to the applicant and those persons who submitted timely objections. If the Director's initial decision is not revoked or modified within thirty (30) calendar days of the date of the decision, the decision is deemed final for purposes of appeal.

Dated May 20, 2020

Becky W. Keogh, Director

Division of Environmental Quality
