CAP/Marketing Board Meeting Scheduled

NORTH LITTLE ROCK—The Arkansas State Marketing Board for Recyclables and Compliance Advisory Panel (CAP) will conduct its first quarterly meeting on Thursday, April 4, 2019, in Conway. Members will attend the Arkansas Recycling Coalition Summit at Virco Manufacturing (1701 Sturgis Road) from 9 a.m.–noon. The Board meeting will follow from 1–3 p.m.

Meeting topics include an overview of ADEQ's asbestos program, a legislative update, and development of the Board's 2019 statewide outreach plan.

The Marketing Board advises and assists ADEQ with finding and maintaining markets for recyclable materials in Arkansas. CAP is a federal program that was established to help small businesses with their air permits.
