NORTHLITTLE ROCK—Due to the ongoing spread of COVID-19, the Arkansas Department of Energy and Environment (E&E) is rescheduling the annual Arkansas Energy and Environment Awards for the fall of 2020. E&E recognizes that businesses across the state are being impacted by this sudden disturbance in the workforce, and in order to accommodate businesses during this unprecedented time, E&E is extending the application deadline for the awards until July 1, 2020.

Arkansas businesses, nonprofits, and government entities who are working to help achieve a vision of a healthy environment and prosperous economy across the state are encouraged to apply. Application forms and more information about the awards criteria can be found online at www.adeg.state.ar.us/poa/enterprise-services/awards/.
