PC&EC to Hold July Meeting In-Person at E&E Headquarters

NORTH LITTLE ROCK—The Pollution Control and Ecology Commission (PC&EC) will meet Friday, July 23, 2021, at 10:00 a.m. in the Commission Room located at the Arkansas Department of Energy and Environment Headquarters, 5301 Northshore Drive, North Little Rock, Arkansas.

The Commission's meeting agenda includes a report from the Director of the Division of Environmental Quality; a presentation from the Office of Air Quality on the state of the air in Arkansas; a request for a favorable vote on a Recommended Decision issued by the PC&EC's administrative law judge in the Matter of Little Rock Water Reclamation Authority, Docket No. 21-004-P; a request to approve the nomination of a number of members to the Solid Waste Licensing Committee; and nominations and approval of a Chair and Vice-Chair for the Commission.

The PC&EC agenda, including links to various documents associated with the agenda items, is available online at: <https://www.adeg.state.ar.us/commission/agenda.aspx> for the public to view in advance of the meeting.
