August 18, 2022

Marketing Board for Recyclables and CAP Board Meeting Scheduled

NORTH LITTLE ROCK—The Arkansas State Marketing Board for Recyclables and Compliance Advisory Panel (CAP) will conduct its quarterly meeting on Wednesday, August 24, 2022, at 11 a.m. The meeting will be held at the Waste Management Two Pines Landfill, located at 100 Two Pine Drive in North Little Rock.

Board members will take a tour of the facility and hear from Waste Management staff about their recycling process, as well as information on the facility's air permit. The meeting agenda will include a fiscal overview, review of panel requirements under Act 1067, vacant positions, and introductions to new Arkansas Department of Energy & Environment (E&E) staff.

The Marketing Board advises and assists E&E's Division of Environmental Quality with finding and maintaining markets for recyclable materials in Arkansas. CAP is a federal program that was established to help small businesses with air permits. The public is encouraged to attend the quarterly board meetings. Those interested in attending the meeting should register by emailing Vanessa Kohrs at vanessa.kohrs@adeq.state.ar.us by 5 p.m. Friday, August 19, 2022.
