|---------------------------|--|
| <u>Permittees:</u>        | Reynolds Metal Company                     |
| <u>EPA I.D. Number:</u>   | ARD006354161                               |
| <u>Facility Location:</u> | 500 E. Reynolds Rd., Arkadelphia, AR 71923 |
| <u>Permit Number:</u>     | 30H-RN1                                    |
| <u>AFIN:</u>              | 10-00004                                   |

On June 20, 2017, the Arkansas Department of Environmental Quality Office of Land Resources (ADEQ) received a Resource Conservation and Recovery Act (RCRA) Class 2 Permit Modification from Reynolds Metal Company. Reynolds Metal Company is located in Arkadelphia in Clark County, Arkansas.

ADEQ has now determined the RCRA Class 2 Permit Modification, dated June 20, 2017 is administrative complete. Any future RCRA permitting decision that ADEQ makes will be under the authority of the Arkansas Hazardous Waste Management Act (A.C.A. §8-7-201 *et seq.*), as amended, and the Resource Conservation and Recovery Act of 1976 (RCRA), as amended (42 U.S.C. §6901, *et seq.*).

This notice of an administrative completeness determination of the RCRA Class 2 Permit Modification satisfies the requirements of A.C.A. §8-4-2003(b). The RCRA Class 2 Permit Modification specifically involves the addition of Part A Approved Waste Codes to the Container Storage Area, the addition of Part A approved Waste Codes to Storage Containment Building, and an Updated Sampling Method.

Persons may review the RCRA Permit and the administrative record at the ADEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. In addition, persons may also review the proposed Permit Modification and the administrative record for this Permit Modification decision at the Clark County Public Library, located at 609 Caddo St, Arkadelphia, AR 71923.

Persons wishing to comment or request a public hearing regarding ADEQ's administrative completeness determination must submit a written request within ten (10) business days of the date of publication of this notice. The request must be hand-delivered or post marked to the Department by close of business no later than August 2, 2017 at 4:30 PM. If ADEQ determines a public hearing is warranted, a public hearing will be scheduled and ADEQ will notify the applicant and all the persons who have submitted comments for the date, time, and place of the scheduled public hearing by certified mail.

Persons who wish to comment or request a public hearing concerning ADEQ's administrative completeness determination should contact:

Tammie J. Hynum, Acting Sr. Operations Manager  
Office of Land Resources  
Arkansas Department of Environmental Quality  
5301 Northshore Drive  
North Little Rock, AR 72118  
Web site: <http://www.adeg.state.ar.us>

Dated this 19th day of July, 2017

Becky Keogh, Director  
Arkansas Department of Environmental Quality
