On September 5, 2017 the Arkansas Department of Environmental Quality (ADEQ) Office of Land Resources received a Resource Conservation and Recovery Act (RCRA) Class 3 permit modification from Aerojet Rocketdyne, Inc. The facility is located in East Camden in Calhoun County, Arkansas.

ADEQ has now determined the RCRA Class 3 permit modification, dated September 5, 2017 is administrative complete. Any future RCRA permitting decision that ADEQ makes will be under the authority of the Arkansas Hazardous Waste Management Act (A.C.A. §8-7-201 *et seq.*), as amended, and the Resource Conservation and Recovery Act of 1976 (RCRA), as amended (42 U.S.C. §6901, *et seq.*).

This notice of an administrative completeness determination of the RCRA Class 3 permit modification satisfies the requirements of A.C.A. §8-4-2003(b). The RCRA Class 3 permit modification involves the construction and operation of a new waste storage magazine at the East Camden facility.

Persons may review the RCRA Permit and the administrative record at the ADEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. In addition, persons may also review the proposed permit modification and the administrative record for this permit modification decision at the Calhoun County Public Library, located at 115 South 2nd Street, Hampton, Arkansas.

Persons wishing to comment or request a public hearing regarding ADEQ's administrative completeness determination must submit a written request within ten (10) business days of the date of publication of this notice. The request must be hand-delivered or post marked to the Department by close of business no later than October 5, 2017 at 4:30 p.m. Central Time. If ADEQ determines a public hearing is warranted, a public hearing will be scheduled and ADEQ will notify the applicant and all the persons who have submitted comments for the date, time, and place of the scheduled public hearing by certified mail.

Persons who wish to comment or request a public hearing concerning ADEQ's administrative completeness determination should contact:
