On September 20, 2017, the Arkansas Department of Environmental Quality Office of Land Resources (ADEQ) received a Resource Conservation and Recovery Act (RCRA) renewal Permit Application from Clean Harbors El Dorado, LLC. The facility is located in El Dorado in Union County, Arkansas.

ADEQ has now determined the renewal Permit Application, dated September 15, 2017 is administratively complete. Any future RCRA permitting decision that ADEQ makes will be under the authority of the Arkansas Hazardous Waste Management Act (A.C.A. §8-7-201 *et seq.*), as amended, and the Resource Conservation and Recovery Act of 1976 (RCRA), as amended (42 U.S.C. §6901, *et seq.*).

This notice of an administratively complete determination of the renewal Permit Application satisfies the requirements of A.C.A. §8-4-2003(b). The Permit Application will renew Clean Harbors' permit for a term of 10 years.

Persons may review the RCRA Permit and the administrative record at the ADEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. In addition, persons may also review the renewal Permit Application and the administrative record for this renewal Permit Application decision at the Barton Public Library, located at 200 East 5<sup>th</sup> Street, El Dorado, Arkansas.

Persons wishing to comment or request a public hearing regarding ADEQ's administratively complete determination must submit a written request within ten (10) business days of the date of publication of this notice. The request must be hand-delivered or post marked to the Department by close of business no later than October 24, 2017 at 4:30 p.m. Central Time. If ADEQ determines a public hearing is warranted, a public hearing will be scheduled and ADEQ will notify the applicant and all the persons who have submitted comments for the date, time, and place of the scheduled public hearing by certified mail.

Persons who wish to comment or request a public hearing concerning ADEQ's administrative completeness determination should contact:
