ADEQ will make a final decision on the draft permit request after the public comment period. ADEQ will, in response to written requests, hold a public hearing whenever the ADEQ Director determines such a hearing might clarify issues concerning the proposed permit issuance. Any request for a hearing must include the requestor's name and address and shall state the nature of the issues to be raised in a hearing. ADEQ will issue a public notice of a hearing at least thirty (30) calendar days prior to the scheduled hearing.

Any individuals, including the applicant, who wish to comment, request a public hearing or add their names to the mailing list concerning ADEQ decisions relating to the permit or application, must do so by hand delivering or mailing written comments, along with their name and mailing address to:

All comments and request for a public hearing must be received by 4:30 PM Central Daylight Time on February 25, 2018. Only comments regarding this proposed permit decision will be considered.

Submitting written comments to ADEQ or making oral statements on the record at a public hearing on the Renewal Permit Application decision provides individuals with legal standing to appeal a final Department decision. Comments supporting or opposing the tentative decision will provide legal standing. Only parties with legal standing may appeal the final decision.
