

NOTICE OF PROPOSED RENEWAL PERMIT

Applicant: Weyerhaeuser NR Company (Owner & Operator)
EPA I.D. Number: ARD067671313
Facility Location: DeQueen, Sevier County, Arkansas
Permit Number: 25H-RN2

The Arkansas Department of Environmental Quality (ADEQ) proposes to issue a Resource Conservation and Recovery Act (RCRA) Hazardous Waste Management (HWM) renewal permit (Permit No. 25H-RN2) to Weyerhaeuser NR Company (Owner & Operator) located in DeQueen, Arkansas. ADEQ proposes to issue this proposed renewal permit under the authority of the Arkansas Hazardous Waste Management Act (Act 406 of 1979, as amended), A.C.A. §8-7-201 *et seq.*, and the Resource Conservation and Recovery Act of 1976, as amended, (42 U.S.C. §6901, *et seq.*).

If approved, Permit No. 25H-RN2 will allow the continued hazardous waste post-closure care activities for the two (2) closed RCRA units located on the facility. The units are called the Oxidation/Evaporation (O/E) Pond and the Stormwater Pond.

Persons who wish to comment on the record or otherwise participate in this proposed permitting action should contact:

Charles M. Johnson, Senior Manager
Office of Land Resources
Arkansas Dept. of Environmental Quality
5301 Northshore Dr.
North Little Rock, AR 72218
Fax: (501) 682-0565

Web site: <http://www.adeq.state.ar.us>

All persons, including the Permittee, who wish to comment on the decision to issue a RCRA renewal permit, may do so by submitting written comments, along with their name and address to ADEQ at the above street address by 4:30 p.m. on February 26, 2018. Comments submitted by mail must be postmarked by February 26, 2018 to the appropriate mailing address above. Only comments regarding the proposed RCRA renewal permit (Permit No. 25H-RN2) will be considered.

Persons may review the application and the administrative record at the ADEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. A copy of the application (final revision dated October 12, 2017) and proposed renewal permit No. 25H-RN2 may also be reviewed at the at the Sevier County Public Library at 200 West Stillwell, DeQueen, Arkansas.

In addition, ADEQ may hold a public hearing to clarify one or more issues concerning the proposed RCRA renewal permit if a public hearing is formally requested. A request for a public hearing shall include the nature for such request and be limited to the scope of this proposed renewal permit.

Submitting written comments to ADEQ or making oral statements on the record at the public hearing on the proposed permitting decision provides individuals with legal standing to appeal a final Department permitting decision. Comments supporting or opposing the decision will provide legal standing. Only parties with legal standing may appeal a permitting decision.

Dated this 11th day of January, 2018

Becky Keogh, Director
Arkansas Department of Environmental Quality
