The Division of Environmental Quality Office of Land Resources (DEQ) received a Resource Conservation and Recovery Act (RCRA) Class 2 permit modification application for Lion Oil Company. The permittee requested to reduce groundwater monitoring frequency, that laboratory analysis be submitted annually, and that RCRA Part B permit application has been modified to include adequate language describing the requested changes in sampling and reporting frequencies and to incorporate a reference to the most recent guidance methodologies for performing statistical analysis of sampling results.

DEQ has determined the application, dated October 6, 2020 to be administratively complete. Any future RCRA permitting decision regarding this application that DEQ makes will be under the authority of Arkansas Code Annotated (A.C.A.) Arkansas Hazardous Waste Management Act (A.C.A. §8-7-201 *et seq.*), as amended, and the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. §6901, *et seq.*). This notice of an administratively complete application satisfies the requirements of A.C.A. §8-4-203(d)(1) as referenced by A.C.A §8-7-213.

Interested individuals may review the application and the administrative record at the DEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. In addition, persons may also review these documents at the Barton Library, located at 200 E 5th St, El Dorado, Arkansas.

Individuals wishing to comment or request a public hearing regarding the application must submit a written request within ten (10) business days of the date of publication of this notice. The request must be hand-delivered or post marked to the Division by close of business no later than 4:30 PM on November 23, 2020. If DEQ determines a public hearing for the application is warranted, then a public hearing will be scheduled. DEQ will notify the applicant and all the persons who have submitted comments of the date, time, and place of the scheduled public hearing by certified mail.

Individuals who wish to comment or request a public hearing regarding the application should submit written comments to:
