Permit Number: 30H-RN1  
AFIN: 10-00004

The Division of Environmental Quality Office of Land Resources (DEQ) tentatively approved on October 12, 2021 a Resource Conservation and Recovery Act (RCRA) Class 3 permit modification for RCRA Permit 30H-RN1. DEQ tentatively approved the proposed permit modification request under the authority of the Arkansas Hazardous Waste Management Act (Act 406 of 1979, as amended), Arkansas Code Annotated § 8-7-201 *et seq.*, and the U.S. Resource Conservation and Recovery Act of 1976, as amended, (Title 42 United States Code Section 6901, *et seq.*). This notice satisfies Arkansas Pollution Control and Ecology Commission Regulation (APC&EC) No. 8, §207, Public Notice of Draft Permitting Decision and APC&EC Rule 23, §270.42(c)(6) Public Notice of a Class 3 Permit Modification. The Class 3 permit modification revises the permit by including a schedule to decommission the existing two (2) kiln incineration unit (SN-19) and replacing it with a new incinerator unit (SN-40), adding a new storage tank farm containing eight (8) 60,000 gallon capacity liquid storage tanks, four (4) 50,000 gallon capacity liquid storage tanks and four (4) 100,000 gallon capacity liquid storage tanks, adding four (4) 65,824 gallon capacity bulk solids tanks located in the Regular Bulk Solids Building, adding one (1) 52,659 gallon capacity bulk solids tank located in the Low Flash Solids Building, adding two (2) container storage areas; forty (40) 55 gallon drum equivalents (2,200 gallons) in the Repack Building and forty eight (48) 55 gallon drum equivalents (2,640 gallons) in the Regular Bulk Solids Building, and adding two (2) 30 tons per hour Shredder Units located in the Low Flash Solids and Regular Bulk Solids building.

Interested individuals may review the application, the draft permit, and the administrative record at the DEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. In addition, persons may also review these documents at the Clark County Public Library, located at 609 Caddo St, Arkadelphia, AR 71923.

Any individuals, including the applicant, who wish to comment, request a public hearing, or add their names to the mailing list concerning DEQ decisions relating to the permit modification issuance, must do so by hand delivering or mailing written comments, along with their name and mailing address:

Nick Jones, P.E., Engineering Operations Manager  
Office of Land Resources  
Division of Environmental Quality

5301 Northshore Drive

All comments and requests for a public hearing must be received by 4:30 p.m. Central Standard Time on November 29, 2021. Only comments regarding the draft permitting decision will be considered.

Submitting written comments to DEQ or making oral statements on the record at a public hearing on the draft permitting decision provides individuals with legal standing to appeal a final Division decision. Comments supporting or opposing the tentative decision will provide legal standing. Only parties with legal standing may appeal the decision.

Dated this 14th day of October, 2021
