The Division of Environmental Quality Office of Land Resources (DEQ) received a Resource Conservation and Recovery Act (RCRA) Class 3 permit modification application from Aerojet-Rocketdyne, Inc.. The permittee requested to modify the Remedial Action Decision Document and the RCRA Part B application by incorporating two new Solid Waste Management Units.

DEQ has determined the application, revised December 22, 2021 to be administratively complete. Any future RCRA permitting decision regarding this application that DEQ makes will be under the authority of Arkansas Code Annotated (A.C.A.) *Arkansas Hazardous Waste Management Act* (A.C.A. §8-7-201 *et seq.*), as amended, and the *Resource Conservation and Recovery Act of 1976*, as amended (42 U.S.C. §6901, *et seq.*). This notice of an administratively complete application satisfies the requirements of A.C.A. §8-4-203(d)(1) as referenced by A.C.A. §8-7-213.

Interested individuals may review the application and the administrative record at the DEQ Records Management Section located at 5301 Northshore Drive, North Little Rock, Arkansas. In addition, persons may also review these documents at the Calhoun County Public Library located at 115 South Second Street, Hampton, AR 71744.

Individuals wishing to comment or request a public hearing regarding the application must submit a written request within ten (10) business days of the date of publication of this notice. The request must be hand-delivered or post marked to the Division by close of business no later than 4:30 PM on March 9, 2022. If DEQ determines a public hearing for the application is warranted, then a public hearing will be scheduled. DEQ will notify the applicant and all the persons who have submitted comments of the date, time, and place of the scheduled public hearing by certified mail.

Individuals who wish to comment or request a public hearing regarding the application should submit written comments to:
