Voided Permit # 0177-SR-1 AFIN 70-00040

Approval of permit void status dated 4/2/1998

On May 13, 2015, I inspected the voided Eldorado Chemical Class 3 Landfill site. The landfill is located within the security fence surrounding the facility property. The perennial cover vegetation is well established and maintained. There was no evidence of leachate seepage, erosion or cracking of soil noted on this inspection.
