West Memphis, AR 72301

RE: West Memphis WWTP Inspection
AFIN: 18-00879 Permit No.: AR0022039

Dear Mr. Rimmer:

On April 20 and 21, 2015, I performed Compliance Evaluation, Sanitary Sewer Overflow, and Industrial Stormwater Inspections of the above referenced facility in accordance with the provisions of the Federal Clean Water Act, the Arkansas Water and Air Pollution Control Act, and the regulations promulgated thereunder. Copies of the inspection reports are enclosed for your records.

Please refer to the “Summary of Findings” section of each attached inspection report and provide a written response for each violation that was noted. This response should be mailed to the attention of the Water Division Inspection Branch at the address at the bottom of this letter or e-mailed to Water-Inspection-Report@adeq.state.ar.us. This response should contain documentation describing the course of action taken to correct each item noted. This corrective action should be completed as soon as possible, and the written response with all necessary documentation (i.e. photos) is due by **July 27, 2015**.

If I can be of any assistance, please contact me at walker@adeq.state.ar.us or 870-935-7221 ext.-12.

Sincerely,

Brent L. Walker
District 3 Field Inspector
Water Division

SUMMARY OF FINDINGS						
This Compliance Evaluation Inspection was performed in conjunction with a Sanitary Sewer Overflow/Collection System Inspection and an Industrial Stormwater Inspection. No violations were noted at the time of the inspection. The facility initiated a partial bypass of the treatment works earlier this year due to the volume of I&I received from an unusually large snow and rain event. This bypass was reported as required by the permit. No further action is required at this time.						
GENERAL COMMENTS						
Water Division Branch Manager - Jason Bolenbaugh and Inspector - Chris Naus were also present.
