Dear Judge Wheelless,

The Arkansas Division of Environmental Quality Office of Land Resources (DEQ) conducted a routine inspection of your facility pursuant to the Arkansas Solid Waste Management Act (Arkansas Code, Annotated, § 8-6-201 *et seq.*), of 1971, as amended, the Arkansas Pollution Control & Ecology Commission Regulation 22 (Solid Waste Management), and the above-referenced permit. The inspection identified conditions at your facility which the DEQ alleges are violations. A copy of the inspection report is attached.

You should immediately initiate actions to correct the alleged violations cited. A written response of the corrective actions taken, or to be taken, must be submitted within thirty (30) calendar days from the date on this letter to the attention of Tobin Baker. The response may include, but is not limited to, photographs, copies of disposal receipts, records, or analytical results, as applicable. If you have any questions regarding the alleged violations, please do not hesitate to contact me at (501) 837-2097 or [bakert@adeq.state.ar.us](mailto:bakert@adeq.state.ar.us).

Sincerely,
