**AFIN 09-00030**  
**Permit No. 0074-TAP-TCC**

Dear Judge Mosley,

The Arkansas Division of Environmental Quality Office of Land Resources (DEQ) conducted a routine inspection of your facility pursuant to the Used Tire Recycling and Accountability Act (Arkansas Code Annotated § 8-9-401, *et.seq.*) of 2017, as amended, and Arkansas Pollution Control & Ecology Commission (APC&EC) Rule No. 36, and the above referenced permit. The inspection identified conditions at your facility which the DEQ alleges are violations. A copy of the inspection report is attached.

You should immediately initiate all actions necessary to resolve and correct the alleged violations cited in the attached inspection report. Written notification of the corrective actions taken for the notification should include, but not be limited to, photographs and copies of documentation such as training records, inspection records, and manifests. If you have any questions regarding the alleged violations, please do not hesitate to contact me at (501) 837-6916 or [Gerry.Eddy@arkansas.gov](mailto:Gerry.Eddy@arkansas.gov).

Sincerely,
