RE: Inspection conducted on March 18, 2025
AFIN 35-00312
Permit Number 0317-SCDR

Dear Mr. Knott,

The Arkansas Division of Environmental Quality Office of Land Resources (DEQ) conducted a routine inspection of your facility pursuant to the Arkansas Solid Waste Management Act (Arkansas Code, Annotated, § 8-6-201 *et seq.*), of 1971, as amended, the Arkansas Pollution Control & Ecology Rule, codified as 8 CAR § 60-101 (Solid Waste Management Rules), and the above-referenced permit. The inspection identified conditions at your facility which the DEQ alleges are violations. A copy of the inspection report is attached.

The facility should immediately initiate actions to correct the alleged violations cited. A written response of the corrective actions taken, or to be taken, must be submitted within thirty (30) calendar days from the date on this letter to the attention of Casey Jackson. The response may include, but is not limited to, photographs, copies of disposal receipts, records, or analytical results, as applicable. If you have any questions regarding the alleged violations, please do not hesitate to contact me at (501) 682-0832 or casey.jackson@arkansas.gov.

Sincerely,

A handwritten signature in black ink that reads 'Casey J. Jackson'.
