## PROJECT DESCRIPTION

**3.1** A project contact person who will be available to answer questions regarding the location of the project and/or equipment, the on-going operation, days and hours of operation

**Contact persons: Wendy Cravens at 479-795-0751.**

**3.2** The project's goals and how the project will be conducted, (such as, how will materials be collected and marketed, and how public awareness of the project will be increased). **The grant funds will be used to cover portions of the administrative staff's salary expenses and expenses for services and supplies resulting from solid waste education activities conducted by the District. In addition, it will fund an education intern position at 16 hours per week for the summer, fall and spring semesters. Activities of the education program will include public presentations to schools, civic groups, businesses, etc. regarding a variety of solid waste issues; development of a mobile learning center; and development of a volunteer educators corps. Presentations will be aimed at reducing the amount of waste being land filled and increasing the percentage of material being recycled..**

**3.3** What materials will be recycled? **Education and public awareness activities will encourage all types of recycling activities available to citizens of the District, including household recyclables, industrial and commercial recycling, household hazardous waste recycling and tire recycling.**

**3.4** Project location and population served by the proposed project. (Whom do you expect to participate in the program?) **The project will serve all of Benton County with a current population of 207,000**

**3.5** The days and hours of operation. (If funding equipment, how many days/hours will it be used for the project?) **The District's business office is open Monday through Friday, 8:00 a.m. to 4:00 p.m. The recycling facility and public drop-offs are available seven days per week. Educational presentations are scheduled based on the planned events and requests received.**

All grants are subject to the requirements of A.C.A 8-6-601 et. Seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program: Highlights include:

Grant Recipients agree to:

- Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$15,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report annually to the RSWMD as directed by ADEQ & the board.

RSWMD Boards agree to:

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenues sources for continuation of the program are in place before disbursing grant funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application.  
**Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.**
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ for final approval.
- Review requests for delay of start of grant projects. If approved submit to ADEQ for final approval.
- In the following categories, compile and submit annual progress reports to ADEQ by **August 1** of each year for a period of five years (or until all funds are expended, whichever is longer) following grant approval, *even if all grant funds have been expended*: Composting Equipment, Transfer Station with Recycling, Material Recovery Facilities, Recycling Equipment and Recycling Programs.
- In the following categories, compile and submit annual progress reports to ADEQ by **August 1** of each year for a period of five years following grant approval, or *until the expenditure of grant funds is complete*: Administration, Education, and Solid Waste Planning.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.
- **Ensure that the project is compatible with the approved RSWMD plan on file with ADEQ or submit documentation demonstrating why a deviation is necessary.**
