2.1 Project Total Cost Grant Amount Requested
 \$ 73,000.00 \$ 30,000.00

- 3.0 **Project Description** – All grant applications, including administrative, must include a detailed project description. At a minimum, answer the following:
- 3.1 The project's goals and how the project will be conducted (such as, how will materials be collected and marketed, and how public awareness of the project will be increased).
 - 3.2 What items are/will be recycled.
 - 3.3 Project location and population served by the proposed project (whom do you expect to participate in the program?).
 - 3.4 The days and hours of operation. (If funding equipment, how many days/hours will it be used for the project?)

3.0 PROJECT DESCRIPTION:

3.1 Overall goal of the project is to increase public awareness of solid waste issues such as waste reduction and recycling by providing educational programs to schools, businesses and other organizations through the media, presentations and special events. We also supply materials that are recycled such as newspaper pencils and soy bean crayons along with books and pamphlets and equipment to them as well such as trailers set at schools for recycling, we also provide bins for each recyclable item that is collected in the schools as well. The project also helps support the educational efforts of the county department educators as well as school teachers through workshops and materials.

3.2 Recycling methods and items accepted have and will continue to vary across the districts, so the educational programs are always tailored to the people and location of the program. The district recycling center accepts all plastics, glass, cardboard, mixed paper and some metal products.

3.3 The District office is located in west Washington County near Prairie Grove with services to all of Washington and Madison Counties. The most current population estimates from 2007 census shows the current population to be over 209,000 residents for the two county area.

3.4 The educator is available Monday – Friday from 8:00 am – 4:30 pm

All grants are subject to the requirements of A.C.A §8-6-601 et. seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program. Highlights include:

Grant Recipients agree to:

- Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$15,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report to the RSWMD for five or more years as directed by ADEQ & the board.

RSWMD Boards agree to:

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenue sources for continuation of the program are in place before disbursing grants funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application. **Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.**
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ.
- Review requests for delay of start of grant projects. If approved, submit to ADEQ.
- Compile and submit annual progress reports to ADEQ by **September 1** of each year for a period of five years following the disbursement of funds, or until the expenditure of grant funds is complete.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.

All grants are subject to audit. Department personnel have the right of access to all records pertaining to a grant-funded project or activity.

I hereby certify that I have read and agree to the conditions of grants as stated above and contained in the listed legislation and regulation.
