APPENDIX A – PROJECT BUDGET DEFINITIONS

1. **PERSONNEL SERVICES** – Even if the applicant is not seeking Recycling Grant funds to pay salaries, this expense should be considered as part of the project cost. This expense may be considered a matching resource. List principal project personnel salaries directly on this form. Be sure to total grant funds requested, matching resources, and total costs in the space provided. This section must be completed.
2. **PROFESSIONAL SERVICES** - List consultants, contractors, etc. Services may include those of a web page designer or consultant. Be sure to total grant funds requested, matching resources, and total costs in the space provided.
3. **CAPITAL OUTLAY** - List all items to be purchased with a value greater than \$300. Include equipment, structures, and items relating to them. Be sure to total grant funds requested, matching resources, and total cost in the space provided.
4. **SERVICES AND SUPPLIES** – Include items not itemized in “Personnel Services,” “Professional Services,” and “Capital Outlay.” Examples are duplicating, materials/supplies, postage, publication charges, travel, etc. Be sure to total grant funds requested, matching resources, and total costs in space provided. This section must be completed.

***Matching Resources** include cash or in-kind contributions. **In-kind contributions** include any documented contribution, such as real estate, goods or services, and labor, and should be valued using a defensible, auditable method. For example, rates for volunteers should be consistent with those paid for similar work in other state or local government activities; donated supplies should be assigned a reasonable value not to exceed lowest fair market value.

APPENDIX B - MINIMUM CONDITIONS OF RECYCLING GRANTS

The following items are **not** eligible
for funding from recycling grants:

Taxes
Reimbursement of funds
Retroactive purchases
Legal fees
Licenses or permits
Land acquisition
Vehicle registration
Utilities including telephone
Office equipment

All grants are subject to the requirements of A.C.A §8-6-601 et. seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program. Highlights include:

Grant Recipients agree to:

- Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$10,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before pre-application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report to the RSWMD for five or more years as directed by ADEQ & the board.

RSWMD Boards agree to:

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenue sources for continuation of the program are in place before disbursing grants funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application. **Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.**
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ.
- Review requests for delay of start of grant projects. If approved, submit to ADEQ.
- Compile and submit annual progress reports to ADEQ by **August 1** of each year for a period of five years following the disbursement of funds, or the expenditure of grant funds is complete, whichever comes later.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.

All grants are subject to audit. Department personnel have the right of access to all records pertaining to a grant-funded project or activity.

I hereby certify that I have read and agree to the conditions of grants as stated above and contained in the listed legislation and regulation.
