2.1 Project Total Cost Grant Amount Requested
 \$ 40,400.00 \$ 35,400.00

- 3.0 **Project Description** – All grant applications, including administrative, must include a detailed project description. At a minimum, answer the following:
- 3.1 The project's goals and how the project will be conducted (such as, how will materials be collected and marketed, and how public awareness of the project will be increased).
 - 3.2 What items are/will be recycled.
 - 3.3 Project location and population served by the proposed project (whom do you expect to participate in the program?).
 - 3.4 The days and hours of operation. (If funding equipment, how many days/hours will it be used for the project?)

\$35,400 Education

This project is to educate the general public the importance of recycling. The costs of this project will include but not limited to advertising, promotions, earth day presentations, project development, seminars and presentations throughout the county including but not limited to the Saline County Fair, Saline County Boys and Girls Club presentations, Girl Scout and Boy Scout presentations, other local civic groups and Old Fashion Day. The recycling coordinator will be supported through this grant.

This project is needed to enhance the awareness and necessity for recycling to the general public. With this program, we hope to increase the citizen participation through increased enthusiasm with the program and promotions.

3.1

The materials will be collected via collection center at the landfill, recycling trailers at Benton Police Station, Bryant Police Station, Haskell Fire Station and Bryant High School. Pick ups are made by the Recycling Coordinator at Benton Schools, Haskell City Hall, Saline County Courthouse and several local businesses on a weekly basis or as needed.

3.2

The recycling collection center accepts tin cans, aluminum cans, white paper, newsprint, appliances, large metal items and cardboard (we will be adding computers in the near future). The recycling trailers accept tin cans, aluminum cans, white paper, newsprint. The pick ups at the Saline County Courthouse and Haskell City Hall are for white paper. The pick ups at the Benton Schools and local businesses are for white paper, newsprint and cardboard.

3.3

The location of this project is Saline County in its entirety. The population of Saline County for the year 2005 according to the Metroplan projection is 95,500. All residents of the county are encouraged to participate. The school systems in the county incorporate the recycling into their curriculum and participation has increased each year adding the cardboard from the food service departments in this past year.

3.4

The recycling center is open 6:00 a.m. – 4:00 p.m. seven days per week. The recycling trailers are accessible all the time except when being emptied at the recycling center. The school programs are scheduled to be picked up once a week unless needed more often.

This section must be completed.

***Matching Resources** include cash or in-kind contributions. **In-kind contributions** include any documented contribution, such as real estate, goods or services, and labor, and should be valued using a defensible, auditable method. For example, rates for volunteers should be consistent with those paid for similar work in other state or local government activities; donated supplies should be assigned a reasonable value not to exceed lowest fair market value.

APPENDIX B - MINIMUM CONDITIONS OF RECYCLING GRANTS

The following items are **not** eligible for funding from recycling grants:

Taxes
Reimbursement of funds
Retroactive purchases
Legal fees
Licenses or permits
Land acquisition
Vehicle registration
Utilities including telephone
Office equipment

All grants are subject to the requirements of A.C.A §8-6-601 et. seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program. Highlights include:

Grant Recipients agree to:

- Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$10,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report to the RSWMD for five or more years as directed by ADEQ & the board.

RSWMD Boards agree to:

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenue sources for continuation of the program are in place before disbursing grants funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application. **Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.**
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ.
- Review requests for delay of start of grant projects. If approved, submit to ADEQ.
- Compile and submit annual progress reports to ADEQ by **September 1** of each year for a period of five years following the disbursement of funds, or until the expenditure of grant funds is complete.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.

All grants are subject to audit. Department personnel have the right of access to all records pertaining to a grant-funded project or activity.

I hereby certify that I have read and agree to the conditions of grants as stated above and contained in the listed legislation and regulation.
