This project will help offset costs related to the administration of the recycling program in Saline County. The administrative costs include but are not limited to fuel, electricity, office administration including district staff assistance, office equipment use, and office supplies.

### 3.1

The materials will be collected via collection center at the landfill, recycling trailers at Benton Police Station, Bryant Police Station, Haskell Fire Station, Bauxite High School and Bryant High School. Pick ups are made by the Recycling Coordinator at Benton Schools, Bryant Schools, Harmony Grove Schools, Bauxite Schools, Haskell City Hall, Saline County Courthouse and several local businesses on a weekly basis or as needed.

### 3.2

The recycling collection center accepts tin cans, aluminum cans, white paper, newsprint, appliances, large metal items, cardboard and computers. The recycling trailers accept tin cans, aluminum cans, white paper, and newsprint. The pick ups at the Saline County Courthouse and Haskell City Hall are for white paper. The pick ups at the Benton Schools and local businesses are for white paper, newsprint and cardboard.

### 3.3

The location of this project is Saline County in its entirety. The population projection of Saline County for the year 2010 according to the Metroplan is 108,253. All residents of the county are encouraged to participate. Employees of local government entities and non-profit organizations participate in recycling programs to set examples to general public. The school systems in the county incorporate the recycling into their curriculum and participation has increased each year adding the cardboard from school food service departments in this past year.

### 3.4

Recycling is available 24/7 at the recycling trailers located in the communities. The collection site at the Saline County RSWMD Landfill is available 6:00 a.m. – 4:00 p.m. Monday through Saturday. Pick-ups at local schools, businesses, non-profit organizations and government entities are normally once a week.

## APPENDIX A – PROJECT BUDGET

## APPENDIX A – PROJECT BUDGET DEFINITIONS

1. PERSONNEL SERVICES – Even if the applicant is not seeking Recycling Grant funds to pay salaries, this expense should be considered as part of the project cost. This expense may be considered a matching resource. List principal project personnel salaries directly on this form. Be sure to total grant funds requested, matching resources, and total costs in the space provided. This section must be completed.
2. PROFESSIONAL SERVICES - List consultants, contractors, etc. Services may include those of a web page designer or consultant. Be sure to total grant funds requested, matching resources, and total costs in the space provided.
3. CAPITAL OUTLAY - List all items to be purchased with a value greater than \$300. Include equipment, structures, and items relating to them. Be sure to total grant funds requested, matching resources, and total cost in the space provided.
4. SERVICES AND SUPPLIES – Include items not itemized in “Personnel Services,” “Professional Services,” and “Capital Outlay.” Examples are duplicating, materials/supplies, postage, publication charges, travel, etc. Be sure to total grant funds requested, matching resources, and total costs in space provided. This section must be completed.

**\*Matching Resources** include cash or in-kind contributions. **In-kind contributions** include any documented contribution, such as real estate, goods or services, and labor, and should be valued using a defensible, auditable method. For example, rates for volunteers should be consistent with those paid for similar work in other state or local government activities; donated supplies should be assigned a reasonable value not to exceed lowest fair market value.

## APPENDIX B - MINIMUM CONDITIONS OF RECYCLING GRANTS

The following items are **not** eligible for funding from recycling grants:

Taxes  
Reimbursement of funds  
Retroactive purchases  
Legal fees  
Licenses or permits  
Land acquisition  
Vehicle registration  
Utilities including telephone  
Office equipment

All grants are subject to the requirements of A.C.A §8-6-601 et. seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program. Highlights include:

Grant Recipients agree to:

- Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$15,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report to the RSWMD for five or more years as directed by ADEQ & the board.

RSWMD Boards agree to:

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenue sources for continuation of the program are in place before disbursing grants funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application. **Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.**
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ.
- Review requests for delay of start of grant projects. If approved, submit to ADEQ.
- Compile and submit annual progress reports to ADEQ by **September 1** of each year for a period of five years following the disbursement of funds, or until the expenditure of grant funds is complete.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.

**All grants are subject to audit.** Department personnel have the right of access to all records pertaining to a grant-funded project or activity.

I hereby certify that I have read and agree to the conditions of grants as stated above and contained in the listed legislation and regulation.
