This section must be completed.

**\*Matching Resources** include cash or in-kind contributions: **In-Kind contributions** include any documented contribution, such as real estate, goods or services, and labor, and should be valued using a defensible, auditable method. For example, rates for volunteers should be consistent with those paid for similar work in other state or local government activities; donated supplies should be assigned a reasonable value not to exceed lowest fair market value

**APPENDIX B - MINIMUM CONDITIONS OF RECYCLING GRANTS**

The following items are **not** eligible  
for funding from recycling grants:

Taxes  
Reimbursement of funds  
Retroactive purchases  
Legal fees  
Licenses or permits  
Land acquisition  
Vehicle registration  
Utilities including telephone  
Office equipment

All grants are subject to the requirements of A.C.A §8-6-601 et. seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program. Highlights include:

Grant Recipients agree to:

Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.

- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$15,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report to the RSWMD for five or more years as directed by ADEQ & the board.

RSWMD Boards agree to:

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenue sources for continuation of the program are in place before disbursing grants funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application.  
**Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.**
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ.
- Review requests for delay of start of grant projects. If approved, submit to ADEQ.
- Compile and submit annual progress reports to ADEQ by **August 1** of each year for a period of five years following the disbursement of funds, or until the expenditure of grant funds is complete.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.
- **Ensure that the project is compatible with the approved RSWMD plan on file with ADEQ or submit documentation demonstrating why a deviation is necessary.**

**Grant Number**  
SWA 00-10

**All grants are subject to audit.** Department personnel have the right of access to all records pertaining to a grant-funded project or activity.

I hereby certify that I have read and agree to the conditions of grants as stated above and contained in the listed legislation and regulation.

## **Project Description**

- 3.1 A project contact person who will be available to answer questions regarding the location of the project and/or equipment, the on-going operation, days and hours of operation.

Blake Harrell - SWARSWMD (870) 234-4030

- 3.2 **The project's goals and how the project will be conducted, (such as, how will materials be collected and marketed, and how public awareness of the project will be increased).**

The requested funds by the Board are for the purpose of administering the recycling program for members of the Southwest Arkansas Regional Solid Waste Management District. The project will provide oversight, coordination, promotion, reporting, and further development of the recycling program in the six county District. The administration element of the District's project is essential to further develop a coordinated regional recycling program and maintaining project requirements.

- 3.3 What materials will be recycled?

The project will recycle yard waste into boiler fuel, cardboard, newsprint, office paper, metal aluminum, plastic and some glass.

- 3.4 Project location and population served by the proposed project. (Whom do you expect to participate in the program?)

SWARSWMD serves the counties of Calhoun Columbia, Dallas, Miller, Ouachita and Union. The population of the District is approximately 155,985.

- 3.5 The days and hours of operation. (If funding equipment, how many days/hours will it be used for the project?)

The administration offices are open normal business hours of each work day.
