2010 Recycling Grant Application No. WRI-00-10
White River RSWMD: Administration

3.0 Project Description

The White River Regional Solid Waste District consists of the following ten counties in central and north central Arkansas: Cleburne, Fulton, Independence, Izard, Jackson, Sharp, Stone, Van Buren, White and Woodruff (2000 Census population is 222,304). The purpose of this grant is to administer the White River Regional Solid Waste Management Plan.

As identified in the Regional Solid Waste Management Plan, primary goals at which District activities are directed include:

1. Work toward achieving a reduction in the area's municipal solid waste stream through programs of material recovery and recycling.
2. Reduce significantly or eliminate the incidence of illegal dumping and personal dumps in rural areas through sponsorship support of programs; support and assist with the development of convenience center collections and transfer stations; encourage rural beautification programs; support strict enforcement efforts, and monitor illegal dumping activities.
3. Protect the business interests of area entrepreneurs involved in solid waste activities through involvement in program development; support the elimination of service and process duplication; provide networking opportunities; and offer guidance and assistance with business expansion efforts.
4. Adopt and implement reasonable standards for licensing haulers as provided for in state law.
5. Develop a waste tire management plan and implementation structure within the ten county management area in accordance with Regulation 14 of the ADPC&E that includes guidelines and procedures for the closure of waste tire dumps and removal of all waste tire material.
6. Support where practical the development of solid waste authorities as authorized under Act 699 of 1979.
7. Develop and carry out a program to garner financial and other support from the public and private sector to help underwrite recycling and other solid waste management activities carried out by the Board.
8. Continue ongoing efforts regarding the update of the Regional Needs Assessment and Solid Waste Management Plan; provide capacity monitoring and certificate of need review and issuance.

The White River District staff perform the administrative duties for the Regional Solid Waste Management Board, including but not limited to: conducting the Certificate of Need Program; establishing and maintaining the licensing of solid waste haulers; providing technical assistance on solid waste management issues; arranging for Board meetings; administering and maintaining all files on the Solid Waste Management and Recycling Grant Fund Programs; and implementing any solid waste management activities as directed by the Board. **Contact persons** are Jan Smith, Program Director, and Van Thomas, Executive Director. White River RSWMD office hours are 8-5 Monday-Thursday and 8-12 noon Friday.

All grants are subject to the requirements of A.C.A 8-6-601 et. Seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Solid Waste Management and Recycling Grants Program: Highlights include:

Grant Recipients agree to:

- Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- Have design plans for construction of permanent facilities with an estimated cost of \$50,000 or greater approved by a professional engineer unless otherwise approved by ADEQ.
- Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services with an estimated cost of \$15,000 or greater. This should be done through an advertisement in an area newspaper of general circulation.
- Start grant project before application deadline for the next grant round. Delays must be approved in writing by both the RSWMD and ADEQ.
- Develop the recycling program presented in the application and expend all grant funds within three years. Extensions must be approved in writing by both the RSWMD and ADEQ.
- Actively seek to market or reuse materials collected in three years.
- Use any interest earned on grant funds exclusively for this or other recycling programs.
- Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- Report annually to the RSWMD as directed by ADEQ & the board.

RSWMD Boards agree to:

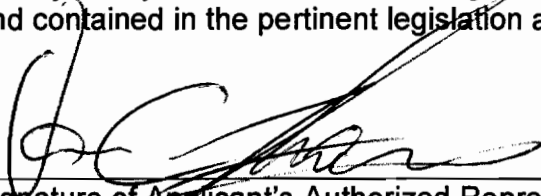

- Establish or designate at least one adequate recyclable materials collection center in each county.
- Ensure that all applicable federal, state and local permits and licenses have been obtained; the project has begun; and adequate revenues sources for continuation of the program are in place before disbursing grant funds.
- Ensure that recipients conform to all state laws that are applicable to the purchase, use or sale of equipment and facilities secured with state funding.
- Ensure that facilities or equipment purchased with grant funds be used exclusively for the general purposes specified in the grant application.
Note: facilities and equipment purchased with grant funds may not be sold, traded or transferred without the Department's written consent.
- Require grant recipients to maintain an orderly accounting system to document that expenditures are made in accordance with project budget. This includes keeping copies of bids, paid invoices, canceled checks and other appropriate paperwork.
- Review any change order forms submitted. If approved, submit to ADEQ for final approval.
- Review requests for delay of start of grant projects. If approved submit to ADEQ for final approval.
- In the following categories, compile and submit annual progress reports to ADEQ by **August 1** of each year for a period of five years (or until all funds are expended, whichever is longer) following grant approval, *even if all grant funds have been expended*: Composting Equipment, Transfer Station with Recycling, Material Recovery Facilities, Recycling Equipment and Recycling Programs.
- In the following categories, compile and submit annual progress reports to ADEQ by **August 1** of each year for a period of five years following grant approval, or *until the expenditure of grant funds is complete*: Administration, Education, and Solid Waste Planning.
- Notify ADEQ in the event a recipient has not met conditions of the approved grant application.
- **Ensure that the project is compatible with the approved RSWMD plan on file with ADEQ or submit documentation demonstrating why a deviation is necessary.**
